Lesson 1 · Ways of earning money

Name: _____

Show your working in each box.

Q1 Leo works 15 hours at $23.50 per hour. What is his wage?

Q2 A car salesperson earns 3% commission. She sells a car for $28,000. How much commission does she earn?

Q3 A fruit picker is paid $3.20 for each bucket of fruit and picks 85 buckets. How much does she earn?

Q4 A musician earns a royalty of $0.004 each time her song is streamed. The song is streamed 250,000 times. How much does she earn?

Q5 Jess (from Worked example 1) earned $820 this week, made up of her $400 retainer plus 5% commission. What were her sales?

> Many Aboriginal art centres are owned and governed by Aboriginal people. When an artwork sells, most of the money goes to the artist, and a small part goes back to the art centre for its running costs and community programs (Desart, n.d.).

Extension An art centre sells a painting for $1,800 and keeps 25% commission. How much does the artist receive?

Desart. (n.d.). *About art centres*. https://desart.com.au/member-art-centres/about-art-centres/
